

Thank You

Thank you for taking the time to read this leaflet and for donating to Weston General Hospital.

The staff are grateful for all donations received as they really do make a difference to the work we do at the hospital and our services.

Who we are

Weston Area Health NHS Trust has its own charity for Weston General Hospital and Children's Community Services.

The charity manages the generous donations of people like yourself who kindly give us money or spend time fundraising for us.

You can choose to donate to the hospital, a specific ward or department or donate to Children's services at Drove Road in Weston and The Barn in Clevedon.

Why your donations are important

Your generosity and support help us provide extra equipment and facilities for our patients, their families, and our staff.

Your donations have helped us buy:

- X-Ray machines
- Diagnostic equipment for Cardiology
- Toys (for children visiting the Paediatric Dept)
- Items for the 'Memory Cafe' for dementia patients
- TV and soft furnishings for patients and their families

How to make a donation

There are many ways in which to donate, so you can choose the method that suits you best.

Donate by Text

Text BFXN16 followed by the amount you want to donate to 70070.

Donate by post

You can donate by filling out the form on this leaflet and posting it, together with your cheque to the address shown overleaf.

Just Giving

Just Giving is an online platform where you can fundraise and donate to charity using Gift Aid- Visit our page at www.justgiving.com/westonhospital.

Gift Aid

If you're a UK taxpayer, Gift Aid allows us to claim back tax on your donation. So if you pay £10 we receive £12.50. Tick the box at the back of this leaflet.

Regular Gift

Regular donations by Standing Order help us cut our administration costs so more of your money goes straight to us. Contact your bank to find out how to set one up.

Payroll Giving

Payroll Giving allows anyone who pays UK income tax to give regularly and on a tax free basis to charities of their choice.

Donations are deducted before tax so each £1.00 you give will only cost you 80p, and if you're a higher rate tax payer it will only cost you 60p.

To find out more, contact the payroll department at your place of work.

Donate to say 'Thank you'

Many of our donations are to say 'thank you' for care received here in Weston General Hospital.

If you would like to thank the staff for looking after you or a member of your family, a donation to your ward or department can help us care for future patients.

Donate in memory

You can make a donation in memory of a loved one. Many people choose to donate to a charity instead of sending flowers to a memorial service when they lose someone dear to them.

We also have a Memory Wall section on our website where we will post a dedication to accompany your donation. If you would like to place a dedication, contact wnt-tr.PressOffice@nhs.net or see the back of this leaflet for details.
