What we do

We help people who are currently in hospital to move back home safely when they leave hospital.

Some examples of the help and support we provide are:

- **Help with adaptations and equipment, like handrails and key safes - to make your home safer for you**
- **Making sure you have food and other essential supplies**
- **Helping you to claim the welfare or pension payments you are entitled to**
- **Helping you to sort out bills and debts**
- **Helping you to 'navigate' the system and receive help and support from other agencies**
- **Helping you to find opportunities to overcome loneliness and isolation**
- **Helping to find alternative accommodation if your current home is no longer suitable**

Who is the Home from Hospital service for?

This service is for anyone currently in hospital and who is worried about living safely and independently at home after leaving hospital. It doesn't matter if you are a home owner or you rent your home - we can provide the expert support you need.

Do I have to pay for the Home from Hospital service?
