#### WESTON HEALTH GENERAL CHARITABLE FUND

#### Annual Report 2015-2016

#### Foreword to the Accounts

The Weston Area Health NHS Trust is always grateful for the kindness and generosity shown by patients, their friends and families, local organisations and societies and our own members of staff who make donations and legacies to support the work of the Charitable Funds.

For the financial year ending 31 March 2016 the following amounts were gratefully received:

|           | £       |
|-----------|---------|
| Donations | 30,000  |
| Legacies  | _88,000 |
| Total     | 118,000 |

These monies are used in a variety of ways to support and enhance the Trust's main funding sources. Spending in the past has included, for example, additional facilities and equipment to assist in the treatment and comfort of patients and for staff development and welfare.

Sometimes monies may not be spent immediately, particularly if we need to make provision for the purchase of major items of expenditure or to allow for future commitments. In these circumstances any monies not needed immediately are partly held in cash reserves and partly invested through the Charity's stockbroker to manage as per the investment policy. During the year funds were realised from the sale of investments to finance the grants paid to enhance the patients' experience.

Investment income received during the financial year to 31 March 2016 was £9,000.

Investment losses on the revaluation and disposal of investment assets of £9,000 were recognised in year. This reflects the value of the investments held at the year end 31 March 2016 and the realised losses on the disposal of investments in year.

Following the adoption of Financial Reporting Standard (FRS) 102 and the Charities Statement of Recommended Practice (SORP) FRS 102 for the first time the management and administration costs are now charged to relevant activities for charitable activities or fund raising activities.

The total expenditure for the year ending 31<sup>st</sup> March 2016 was £124,000. This was split between charitable activities expenditure £119,000 and fund raising activities £5,000.

The spending on charitable activities was divided between the staff welfare and amenities £63,000 this included a number of Health and Wellbeing Fund initiatives; staff development activities, physiotherapy sessions for staff and the provision of water coolers across the Trust. A further £56,000 was spent on patient welfare, amenities and equipment. Purchases included the re-provision of furniture in the Seashore Centre, Uphill rehabilitation unit and Intensive Therapy Unit.

Fund raising costs of £5,000 where incurred in year split between £3,000 of investment managers fees and £2,000 for a proportion of the Trustees time in dealing with fund raising activities.

#### Report for the year ending 31 March 2016

All this has only been possible because of the continued generosity of patients, their families and friends and many others in Weston-super-Mare and the surrounding areas who have an interest in supporting our Charity.

This Annual Report provides information concerning the current administration of the Weston Health General Charitable Fund and also discharges the Trustees' duty of public accountability and stewardship.

Date 23-Am - 16

Weston Health General Charitable Fund - Trustee

#### Legal and Administrative Information

This Annual Report complies with current statutory requirements; the requirement of the Charity's governing document and the requirements of FRS 102 and FRS 102 SORP and the Charities Act 2011.

Full name of Charity: WESTON HEALTH GENERAL CHARITABLE FUND

Nature of the Governing Document: DECLARATION OF TRUST DATED 8.8.96.

Charity Registration Number: 1057589

Charity Trustees: The Board of the Weston Area NHS Trust act as Corporate Trustees

These funds are registered with the Charity Commissioners and the Trust's Directors have a joint responsibility as Trustees for the management of these funds. The Trustees have given due consideration to Charity Commission published guidance on the operation of the Public benefit requirement.

The Weston Area Health Trust Board has established the Weston Health General Charitable Fund Board to take responsibility on all matters relating to the Charity and provide the Trust Board with assurance on the fulfilment of its responsibilities.

The Trustees of the Charity and their responsibilities at Weston Area Health NHS Trust during the financial year to 31 March 2016 were:

| Name             | Title   | In year Start Date                    |
|------------------|---|---------------------------------------|
| J Rimmer         | Interim Chief Executive (from 03/08/15 to 31/12/15) Chief Executive (from 01/01/16) | August 2015                           |
| R Little         | Finance Director  |                                       |
| N Lyons          | Medical Director  | January 2016                          |
| Helen Richardson | Interim Director of Nursing   | February 2016                         |
| B.Bishop         | Director of Strategic Development   |                                       |
| S Flavin         | Director of Human Resources   | <del></del>                           |
| K Croker         | Director of Operations  |                                       |
| B Musselwhite    | Non Executive Director  |                                       |
| G Paine          | Chair (from 16/11/15)   |                                       |
| F Powell         | Non Executive Director  | January 2016                          |
| G Reah           | Non Executive Director  | · · · · · · · · · · · · · · · · · · · |
| I Turner         | Non Executive Director  |                                       |
| A Wyke           | Non Executive Director  | December 2015                         |

John Bennett the treasurer of the Weston General Hospital League of Friends is the appointed Lay member of the charity.

Miss J Stroud was an employee with voting rights during her tenure as Deputy Director of Nursing (Corporate) from 1 December 2015 to 14 February 2016.

The Trustees of the charity below left office during the year or up to the date when the accounts were signed:

| Name     | Title               | End date      |
|----------|---------------------|---------------|
| N Wood   | Chief Executive     | July 2015     |
| A Martin | Medical Director    | January 2016  |
| C Perry  | Director of Nursing | December 2015 |

#### Report for the year ending 31 March 2016

Street, Bristol, BS1 6FT.

Investment Advisers: J. M. Finn & Co. Ltd., St. Brandon's House,

29 Great George Street, Bristol BS1 5QT.

#### Structure, Governance and Management

Acting for the Corporate Trustee, the Charitable Funds Board is responsible for the overall management of the Charitable Fund. The Board is required to:

- Control, manage and monitor the use of the fund's resources.
- Provide support, guidance and encouragement for all its income raising activities whilst managing and monitoring the receipt of all income.
- Ensure that 'best practice' is followed in the conduct of all its affairs fulfilling all of its legal responsibilities.
- Ensure that the Investment Policy is adhered to and that performance is continually reviewed whilst being aware of ethical considerations.
- Keep the Trust Board fully informed on the activity, performance and risks of the Charity.

The accounting records and the day-to-day administration of the funds are dealt with by the Finance Department located at Weston General Hospital.

The Trustees of the Charity are Executive and Non-Executive Directors of the Trust Board. Non Executive Directors are appointed by the NHS Trust Development Authority and they are provided with induction training and ongoing training. There is also an appointed Lay Member of the Weston Health General Charitable Fund Board.

#### **Specific Restrictions**

There are no specific restrictions imposed by the governing document which states that the "The Trustees shall hold the Trust Fund upon trust to apply the income, and at their discretion, so far as may be permissible, the capital for charitable purposes relating to the general or any specific purposes of the Weston Area Health NHS Trust".

Funds have been included within the "restricted fund" category since registration only where monies have been collected or given for a specific purpose. These funds have not been registered separately either because the amount involved is minimal and/or the funds may only be in existence for a short period.

#### Narrative Information

#### Purpose of the Charity

The Charity provides amenities for both patients and staff and donates building and equipment assets at the Weston General Hospital and other community services provided by the Trust. This includes the provision of facilities and equipment to assist in the treatment and comfort of patients and to provide for additional development and welfare of staff.

#### Organisation

To ensure appropriate control of the funds of the Charity, individual wards and departments have a designated fund manager. All purchases made with charitable monies must be approved and authorised in accordance with current guidelines outlined in the Trust's Corporate Governance manual (which include Standing Financial Instructions, Standing Orders, Reservation of Powers to the Board and Delegation of Powers and the Guidance to Staff on Fraud). Expenditure should also be consistent with the title and purpose of the fund. Unspent monies at the end of the year are carried forward to the following year. Designated funds are reviewed regularly to ensure that they meet the requirements of the beneficiaries.

#### Risks and uncertainties

The trustees have considered the major risks to which the charity is exposed. They have identified steps to mitigate those risks. Three major risks have been identified and arrangements have been put in place to mitigate those risks.

#### 1. Future levels of income

The charity is reliant on donations and legacies to allow it to make grants to the NHS Trust. If income falls then the trust would not be able to make as many grants or enter into longer term commitments with the Weston Area Health NHS Trust.

The trustees mitigate the risk that income will fall by:

- Monitoring the adequacy of income received.
- Reviewing the fund raising processes in the Trust.
- Co-ordinating a programme of fund raising ideas to raise the profile of the charity.

#### 2. Fall in investment valuation and returns

The charity generated additional income from investing its cash balances so the trustees consider the loss of investment income to be a major financial risk. The risk is mitigated by retaining expert investment managers, having a diversified investment portfolio and regularly reviewing that portfolio.

#### 3. Unforeseen changes in the operation of the NHS

The NHS is, by its very nature, subject to national changes in government policy as well as locally driven commissioning decisions. The trustees have identified this as a risk as it may mean initiatives or healthcare activities supported by the charity are no longer delivered at the

Weston Area Health NHS Trust. The trustees regularly liaise with all of our NHS partners to understand the changes that they are planning at an early stage. The trustees also review our NHS partners' strategic plans when they are developing future plans.

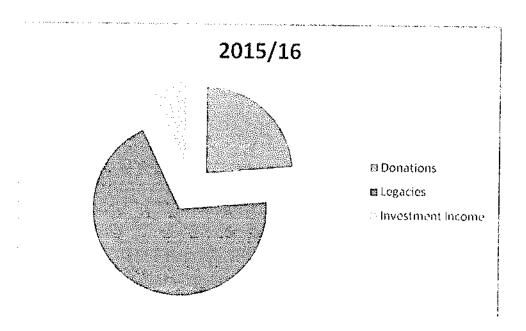

#### Review of Activities in the Year

#### Financial Position

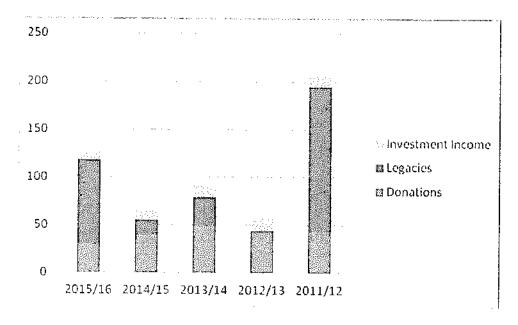

As at 31 March 2016 there were 38 individual funds that relate to various wards and departments at the Trust. Each fund manager ensures that donations are spent in accordance with the wishes of the donor and for purposes that relate to the Charity.

The balance sheet shows that total funds have decreased by £6,000 during the year from £443,000 to £437,000, reflecting the overall outflow of funds through the year.

Income for the period includes donations and legacies from patients and their families in recognition of the care which has been provided by the Weston Area Health NHS Trust. Other income received is comprised of dividends from investments and bank interest. Total incoming resources for the year are £127,000 (£65,000 2014/15).

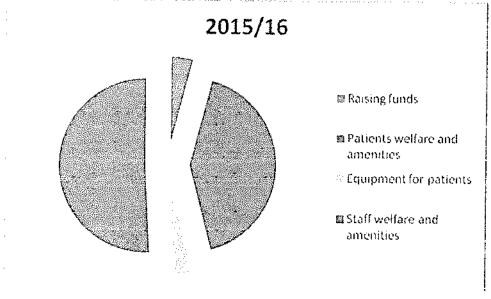

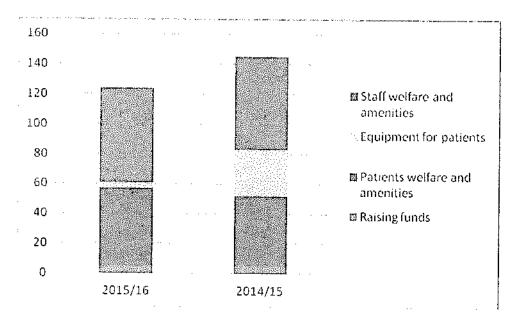

Report for the year ending 31 March 2016

Grants paid in 2015/16 relate to revenue expenditure which would not normally be funded out of NHS operating income by the Weston Area Health NHS Trust.

Total expenditure of £124,000 has decreased by 14.5% since last year; the Charity continues to be committed to making appropriate use of its funds.

In complying with the new FRS 102 the treatment of the management and administration costs has now been separately analysed on the face of the statement of financial activity. These costs are classified as support costs and have been apportioned between fundraising activities and charitable activities. There is no effect on the total expenditure for 2014/15 or 2015/16. Expenditure prior to 2014/15 has not been restated and therefore not included above.

#### Investments

The Charity's investment policy is to invest in stocks, funds, shares and securities when cash balances exceed short to medium term requirements. Therefore the Charity invests monies that are not required for immediate expenditure in a portfolio of Government stocks, Company shares and Bank deposits. This produces additional income for the Charity and its performance is reviewed regularly by the Charity's stockbrokers who advise the Charitable Funds Board.

The investment assets of the Charity have been acquired in accordance with the powers available to the Trustees and the portfolio should be medium risk.

The analysis of the main holdings greater than 5% of the market value as at 31 March 2016 or over £20,000 as listed on the Stock Exchange were:

|  | All Held |
|--|----------|
|  | in UK    |
| 66 papers                                  | £000     |
| CG PORTFOLIO FD PLC THE DOLLAR FUND NAV    |          |
| (B41GP76)                                  | 30       |
| UK TREASURY 0.125% INDEX LINK 2029         | 28       |
| UK TREASURY 2.5% INDEX LINK 2024 (0898302) | 27       |
| KEYSTONE INVESTMENT TRUST (0491206)        | 17       |
| OTHER                                      | 230      |
|  | 332      |

The market value of the Charity's investments has decreased from £385,000 to £332,000 during the year due to the net disposal and acquisition (£51,000) combined with realised (£4,000) and unrealised losses (£5,000) on those investments offset by the cash held on

portfolio £7,000. At the previous year end 31 March 2015 values had reduced from £411,000 to £385,000 in year.

#### **Accounting Policies**

The financial statements have been prepared under the historic cost convention, with the exception of investments which are included at market value. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 April 2015) and the Charities Act 2011

The charity SORP sets out how charities are expected to apply FRS 102 to their particular activities and transactions, and explains how charities should present and disclose their activities and funds within their accounts.

#### Reserves Policy

Reserves are held to ensure that sufficient monies are available to accommodate changes in the market value of non in perpetuity investments. This is currently set at 20% of the market value of the non in perpetuity investments on 31 March annually, subject to a minimum of £100,000. The balance of the reserve is held within the unrestricted funds including the General Purposes fund. The policy is subject to regular review. No adjustment is made to these reserves for commitments or planned expenditure that is not provided for in the balance sheet.

The value of the non in perpetuity investments as at 31 March 2016 is £234,000 therefore 20% equates to £46,800.

The balance of the unrestricted funds as at 31 March 2016 is £331,000.

#### Going concern

The trustees consider that there are no material uncertainties about the Weston Health General Charitable Fund's ability to continue as a going concern. There are no material uncertainties affecting the current year's accounts.

The acquisition of the Trust by Taunton and Somerset NHS Foundation Trust was terminated by the NHS Trust Development Authority in mid October 2015.

#### Events since the year end and future plans

The charity plans to continue to use its resources to further enhance the services provided by the Weston Area Health NHS Trust in relation to patient care and for staff training and welfare. This will include the provision of equipment and contribution towards training of staff. The charity will be working hard to achieve the best for the patients of Weston-super-Mare and surrounding district and will continue its fundraising activities. The charity is undertaking a joint fundraising project for a scanner with the Weston General Hospital League of Friends commencing in April 2016.

Corporate Trustee Date 23-Aug - 16

#### NATIONAL HEALTH SERVICE

#### FUNDS HELD ON TRUST ANNUAL ACCOUNTS 2015-16

The accounts of the Funds Held on Trust by the Weston Area Health NHS Trust

#### **FOREWORD**

#### STATUTORY BACKGROUND

The NHS Trust is the corporate trustee of the funds held on trust under paragraph 16c of Schedule 2 of the NHS and Community Care Act 1990.

#### MAIN PURPOSE OF THE FUNDS HELD ON TRUST

The main purpose of the charitable funds held on trust is to apply income for any charitable purpose relating to the National Health Service wholly for the services provided by the Weston Area Health NHS Trust.

#### Statement of trustees' responsibilities

Under charity law the trustees are responsible to prepare accounts each year that show a true and fair view, and that the trustees prepare the financial statements on the going concern basis, unless it is inappropriate to do so.

The trustees are responsible for:

- keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the funds held on trust and to enable them to ensure that the accounts comply with requirements in the Charities Act 2011.
- establishing and monitoring a system of internal control; and
- establishing arrangements for the prevention and detection of fraud and corruption.

The trustees are required under the Charities Act 2011 to prepare accounts for each financial year. In preparing those accounts, the trustees are required to:

- apply on a consistent basis accounting policies.
- make judgements and estimates which are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts.
- state whether the financial statements comply with the trust deed, subject to any material departures disclosed and explained in the accounts.

The trustees confirm that they have met the responsibilities set out above and complied with the requirements for preparing the accounts. The financial statements set out on pages 4 to 15 attached have been compiled from and are in accordance with the financial records maintained by the trustees.

## Independent auditor's report to the Trustees of Weston Health General Charitable Fund

We have audited the financial statements of Weston Health General Charitable Fund for the year ended 31 March 2016 which comprise the statement of financial position, the statement of comprehensive income, the cash flow statement, the reconciliation of movements in shareholders' funds and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

This report is made solely to the charity's trustees, as a body, in accordance with Section 154 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of trustees and auditor

As explained more fully in the Trustees' Responsibilities Statement set out on page 1, the trustees are responsible for the preparation of financial statements which give a true and fair view.

We have been appointed as auditor under section 149 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

#### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2016 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

#### Alex Walling

Alex Walling for and on behalf of Grant Thornton UK LLP, Appointed Auditor Hartwell House 55-61 Victoria Street Bristol BS1 6FT

31 August 2016

Grant Thornton UK LLP is eligible to act as an auditor in terms of section 1212 of the Companies Act 2006

#### Notes to the Account

#### **Accounting Policies**

1

#### 1.1 Structure of funds

Where there is a legal restriction on the purpose to which a fund may be put the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes and cannot itself be spent are accounted for as endowment funds. Other funds are classified as unrestricted funds.

#### 1.2 Critical Judgements and Accounting Estimates

- a) The financial statements have been prepared under the historic cost convention, with the exception of investments which are included at market value. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 April 2015) and the Charities Act 2011.
- Accounting Estimates within the financial statements are not considered material and the figures in the accounts are based on actual figures.

#### 1.3 Going Concern

The trustees consider that there are no material uncertainties about the Weston Health General Charitable Fund's ability to continue as a going concern. There are no material uncertainties affecting the current year's accounts.

The acquisition of the Trust by Taunton and Somerset NHS Foundation Trust was terminated by the NHS Trust Development Authority in mid October 2015.

#### 1.4 Reconciliation with previous generally accepted accounting practice

In preparing these accounts, the trustees have considered whether any restatement of comparatives was required to comply with FRS 102 and the Charities SORP FRS 102. No restatements were required although there has been a change in the analysis of governance costs.

Governance costs: previously, these had been separately analysed on the face of the statement of financial activity. Governance costs are now classified as a support costs and have therefore been apportioned between fundraising activities and charitable activities. There is no effect on the total expenditure for 2014/15 or 2015/16.

The analysis of support costs, including governance costs, is shown in note 2.4 and 2.5.

Reconciliation of reported total expenditure

| ·   | Exp on raising<br>Funds<br>£000s | Exp on<br>Charitable<br>activities<br>£000s | Support Costs<br>£000s | Total<br>Expenditure<br>£000 |
|---|----------------------------------|---|------------------------|------------------------------|
| 2015-16 expenditure as previously reported  | 0                                | 98  | 26                     | 124                          |
| Adjustments for the reapportionment of governance costs 2015-16 expenditure as restated | 5                                | 21  | (26)                   | -                            |
|   | 5                                | 119   | 0                      | 124                          |

#### 1.5 Incoming Resources

- All incoming resources are included in full in the Statement of Financial Activities as soon as the following three factors can be met:
  - i) the Charity has entitlement to the resources;
  - ii) it is probable more likely than not that the incoming resource will be received;
  - iii) measurement when the monetary value of the incoming resources can be measured with sufficient reliability.

#### b) Legacies

Legacies are accounted for as incoming resources once the receipt of the legacy becomes probable.

Receipt is probable when:

- Confirmation has been received from the representatives of the estate(s) that probate has been granted
- The executors have established that there are sufficient assets in the estate to pay the legacy and
- All conditions attached to the legacy have been fulfilled or are within the charity's control.

If there is uncertainty as to the amount of the legacy and it cannot be reliably estimated then the legacy is shown as a contingent asset until all of the conditions for income recognition are met.

#### c) Investment Income

Income received from investments is apportioned across those funds that hold a balance of greater than £5,000 at the financial year end 31st March 2016.

#### 1.6 Resources expended

- a) The funds held on trust accounts are prepared in accordance with the accruals concept. All expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party.
- b) Allocation of support costs

Support costs are those costs which do not relate directly to a single activity. These include some staff costs, costs of administration and external audit costs. Support costs have been apportioned between fundraising costs and charitable activities on an appropriate basis. The analysis of support costs and the bases of apportionment applied are shown in note 2.5.

Management and administration costs are charged as a percentage of staff who have a direct involvement in the day to day management and administration of the charitable funds.

#### c) Fundraising costs

The costs of generating funds are those costs attributable to generating income for the charity, other than those costs incurred in undertaking charitable activities in furtherance of the charity's objects. The costs of generating funds represent fundraising costs together with investment management fees. Fundraising costs include a proportion of the Trustees time in dealing with fund raising activities.

Investment managers fees are allocated against those funds that hold a balance of greater than £5,000 at the financial year end 31st March 2016.

#### d) Charitable activities

Costs of charitable activities comprise all costs incurred in the pursuit of the charitable objects of the charity. These costs, where not wholly attributable, are apportioned between the categories of charitable expenditure in addition to the direct costs. The total costs of each category of charitable expenditure include an apportionment of support costs as shown in note 2.5

#### e) Transfer between funds

A transfer of investment income less the investment managers fees is made from endowment funds to unrestricted funds.

#### 1.7 Fixed Assets

The Weston General Charitable Fund does not hold fixed assets other than investment fixed assets as at the balance sheet date.

#### 1.8 Investment Fixed Assets

Investments are a form of basic financial instrument. Fixed asset investments are initially recognised at their transaction value and are subsequently measured at their fair value (market value) as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year. Quoted stocks and shares are included in the balance sheet at the current market value quoted by the investment analyst, excluding dividend.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the investors manage the charity's portfolio on a medium risk basis.

#### 1.9 Debtors

Debtors are amounts owed to the charity. They are measured on the basis of their recoverable amount.

#### 1.10 Cash and cash equivalents

Cash at bank and in hand is held to meet the day to day running costs of the charity as they fall due.

#### L11 Creditors

Creditors are amounts owed by the charity. They are measured at the amount that the charity expects to have to pay to settle the debt.

The charity did not have any long term creditors which are owed in more than a year in either year.

#### 1.12 Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (or date of purchase if later). Unrealised gains and losses are calculated as the difference between market value at the year end and opening market value (or date of purchase if later).

#### 1.13 Contingent Liability / Asset

Contingent liability is either a possible but uncertain obligation or a present obligation that is not recognised because:

- · a transfer of economic benefit to settle the possible obligation is not probable; or
- · the amount of the obligation cannot be estimated reliably.

A contingent asset is a possible asset that arises from a past event but is not recognised in the balance sheet as its existence can only be confirmed by future events which are not within the charity's control.

#### 1.14 Intangible Fixed Assets

The charity does not hold any Intangible fixed assets as at the balance sheet date.

#### 1.15 Pensions Contributions

The cost of employer pensions contributions to the NHS superannuation and other schemes is charged to the Statement of Financial Activities.

#### 1.16 Prior Year Adjustments

In preparing these accounts, the trustees have considered whether any restatement of comparatives was required to comply with FRS 102 and the Charities SORP FRS 102. No restatements were required although there has been a change in the analysis of governance costs.

#### 1.17 Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Support costs are charged as a percentage of staff who have a direct involvement in the day to day management and administration of the charitable funds. The percentages for staff time is re-charged to reflect time spent in dealing with raising funds and charitable activities.

## Analysis of Stuff Costs

There were no staff holding contracts of employment with, or paid directly by the Charitable Trust Funds in either period.

2.6

| Gains (Losses) |
|----------------|
| on revaluation |
| and disposal   |
| of investment  |
| assets         |

During the year £9,000 of losses on revaluation of investment assets were recognised. These were split between realised loss of £4,000 and an unrealised loss of £5,000 (2014/15 - £28,000 gain, split between realised gain £1,000 and an unrealised gain £27,000).

Realised gains/losses relate to actual gains/losses when a holding has been sold in the year at greater than (gain) or less than (loss) the historic purchase cost. Whereas unrealised gains/losses reflect the difference between the market value at the balance sheet date when compared to the original purchase price or market value at the start of the year.

#### Details of transfers between funds

2.7 There were no material transfers between restricted and unrestricted funds in the period.

|---------------|
| January 2016  |
| December 2015 |
|               |

#### Post Balance Sheet Events

10 Between I April 2016 and the 12 August 2016, the value of the charity's investments rose 9.2% compared to the FTSE 100 index rise of 12.5% over the period. The market value of the investments as at 12 August 2016 was £355,000

The charity received £92,000 on 25th July 2016 for the legacy debtor of £87,000 accrued at 31st March 2016. The £5,000 difference will be recognised as legacy income in 2016-17.

**EXECUTIVE OFFICE** 

General Hospital Grange Road, Uphill Weston-super-Mare Somerset BS23 4TQ

23 August 2016 Tel: 01934 881101

Grant Thornton UK LLP Hartwell House 55-61 Victoria Street Bristol BS1 6FT

Dear Sirs,

## Weston Health General Charitable Fund – Financial Statements for the Year Ended 31 March 2016

This representation letter is provided in connection with the audit of the financial statements of Weston Health General Charitable Fund for the year ended 31 March 2016 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the Charities (Accounts and Reports) Regulations 2008 made under Section 154 of the Charities Act 2011.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

#### **Financial Statements**

We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter, for the preparation of the financial statements in accordance with the regulations made under Charities Act 2011 and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland ('Charities SORP (FRS 102)'), issued by the Charity Commission and any subsequent amendments or variations to this statement, in particular the financial statements give a true and fair view in accordance therewith.

We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the Charities SORP (FRS 102).

All events subsequent to the date of the financial statements and for which the Charities SORP (FRS 102) requires adjustment or disclosure have been adjusted or disclosed.

The financial statements are free of material misstatements, including omissions.

We can confirm that:

- a. all income has been recorded:
- b. the restricted funds have been properly applied;
- c. constructive obligations for grants have been recognized; and
- d. the trustees consider there to be appropriate controls in place to ensure overseas payments are applied for charitable purposes.

Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

#### Information Provided

We have provided you with:

- e. access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
- f. additional information that you have requested from us for the purpose of your audit; and
- g. unrestricted access to persons within the entity from whom you determine it necessary to obtain audit evidence.

We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

All transactions have been recorded in the accounting records and are reflected in the financial statements.

We have disclosed to you our knowledge of fraud or suspected fraud affecting the entity involving:

- h. management;
- i. employees who have significant roles in internal control; or
- j. others where the fraud could have a material effect on the financial statements.

We have disclosed to you our knowledge of any allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, analysts, regulators or others.

We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.

We have disclosed to you the identity of the Charitable Fund's related parties and all the related party relationships and transactions of which we are aware.

We confirm that we have reviewed all correspondence with regulators, which has also been made available to you, including the guidance 'How to report a serious incident in your charity' issued by the Charity Commission (updated in September 2014). We also confirm that no serious incident reports have been submitted to the Charity Commission, nor any events considered for submission, during the year or in the period to the date of signing of the balance sheet.

We have a reasonable expectation that the Charitable Fund has adequate resources to continue in operational existence for the foreseeable future. The Charitable Fund balances of £437k as at 31/3/16 are well in excess of the net decrease in funds of £6k during 2015-16. The Trustees of the Charitable Fund include the executive and non-executive directors of the Weston Area Health Trust.

We have a reasonable expectation that the Trust itself has adequate resources to continue in operational existence for the foreseeable future. This is in the context of the NHS Five Year Forward view and the Strategic Plan 2016/2021, which describes the Trust's priorities for the next four years to deliver outstanding safe care and improve the sustainability of all services. The Trust is assured that it will secure sufficient working capital with the agreement of the NHS Trust Development Authority (NHS Improvement) from April 2016. For this reason the going concern basis has been adopted for preparing the accounts.

#### Approval

The approval of this letter of representation was minuted by the Charitable Funds Board of Trustees at its meeting on 23<sup>rd</sup> August 2016.

Yours faithfully,

Name:

Position: Chairman

Date: 7

Name:

Position: Chief Executive

Date:
